FINANCIAL FITNE\$\$

REGISTER YOUR TEAM | keywestchamber.org
305.294.2587 info@keywestchamber.org

Take the field for financial education!

- Who are the teams? Chapters, individual credit unions, Chambers or other approved organizations may register a team of up to 3 high school students with a \$250 sponsorship. There is no limit to the number of teams that may be sponsored! The students must attend either Key West High School or Key West Collegiate Academy.
- What is the challenge? Financial questions will be trivia style, material will come from the National Endowment for Financial Education (NEFE) and VISA's Practical Money Skills. We will provide the materials as soon as the team is registered so the sooner, the better! Materials are on-line as well as a study guide that is provided. The remaining study materials may be picked up at Keys Federal Credit Union after registration has been confirmed. (3022 N Roosevelt Blvd)
- On-line playoff games will determine the top two teams who will then compete LIVE on April 9th to determine the Key West champion team.
- The champion team will then compete on-line against other regional champion teams in Florida to determine the top 2 finalists.
- What can the students win? All participants receive shirts. **The Key West Champion team will win \$15,000!** What can the sponsor win? Besides bragging rights, the Chapter/Credit Union/Organization represented by the winning team will take home the coveted LSCU Financial Fitness Trophy!

Financial Fitness Timeline

Now-February 15: Registration (the sooner teams register, the more time they have to study)

March 5-8: On-line Key West play-off competitions (each team will be scheduled for approximate one hour to compete on-line during this time frame). Teams do not need to compete at the same time.

April 9: LIVE competition between top two Key West teams

April 16-May 1: On-line competitions between Key West champion team and other regional champion teams in Florida to determine the top 2 teams to represent the state

June 8, 2018: Final LIVE competition between top 4 teams (2 teams from FL and AL)
(travel and hotel expense paid for students, chaperone and coach)
